

Bring the **BEST FREE** small business training home this year!
Aboriginal BEST (Business Entrepreneurship Skills Training)
CHOOSE YOUR DATES in YOUR COMMUNITY to host YOUR FREE business course

The Canadian Centre for Aboriginal Entrepreneurship (CCAIE) is writing proposals to continue delivering & expanding Aboriginal BEST across BC. Since 2003, we've helped over 2000 participants in 95 communities learn how to turn their ideas into reality. BEST facilitators & training materials help people identify local opportunities, research, launch, & grow their own businesses...from caterers to carvers to construction businesses.

Aboriginal BEST coaches & regional winners at the 2013 'BEST of the BEST' Competition: Inez Jasper (singer/songwriter), Orene "DJ O Show" Askew, Kerry Buck (organic beef farmer), Kristin Kozuback (BEST facilitator & coach), & Carla Ekins (event planner).

We designed BEST to include:
***Workbooks *Coaching *Snacks**
***Guest Speakers *Aboriginal Success Stories**

*** BEST Classes start: When YOU want!**

Funding is available for up to 3 years for: 2015, 2016, & 2017

*** BEST Classes run: When YOU want!**

Typically, organizations host 2 weeks of day classes (10am to 3pm) or evening classes (5pm to 9pm). We can also explore ways to adapt our schedules to meet your needs.

Most hosts also choose to add on a free week of one-on-one & small-group coaching services from our expert CCAIE team.

Our mission at CCAIE is to:

"Nurture the Spirit of Entrepreneurship in individuals, communities & organizations."

When you host an Aboriginal BEST, you get:

- **CCAIE facilitators** - we strive to create culturally-safe learning spaces; we are all entrepreneurs eager to share real-world tools & tips for success.
- **Comprehensive training materials** – we cover 12 key topic areas. Our slide shows, handouts, videos & participant workbooks give you a solid introduction to business & life as an entrepreneur.
- **Systems for success** – with over 95 successful programs, we have everything in place to support you with marketing, registration, & reporting so you can seamlessly host a FREE info session, the 10-12 training sessions, and a grad celebration.
